

TERELJ NATIONAL PARK ITINERARY: Terelj National Park is a great place to visit if you are only here briefly. It is situated 70km to the east of Ulaanbaatar and a couple of hours drive out of Ulaanbaatar for you to enjoy natural scenery – open field, gorgeous mountains and rocky hills.

On this tour, we'll take you for a horse ride and visit to local nomad family, Turtle rock, Aryabal Monastery, and Chinggis Khaan Statue, the tallest equestrian statue in the world. We pack a lot into this short trip so that you can experience real Mongolian lifestyle.
